## Migration og ulighed

---

### Web quest:

1. Find different definitions of inequality
2. How high is the number of victims of trafficking estimated to be globally?
3. How many are children and women?
4. What is the main occupation for the victims of human trafficking?
5. What are the main reasons for trafficking?
6. One of the most important SDG goals is to end extreme poverty. Due to oil export Nigeria is Africa's largest economy, however, according to a recent article posted by CNN what is the poverty rate?
7. According to UNESCO how high is the illiteracy rate in Nigeria?
8. What is the Nigerian birth rate compared to other African countries?
9. Approximately how many ethnic groups and languages are to be found in Nigeria?
10. Go to IndexMundi and compare the Nigerian and Danish age structure in a pyramid chart. What does this tell you?

All in all, what are your conclusions?
