## Migration og ulighed

---

Work questions for: "Tea" by T. J. Benson

1. What is the setup in the beginning of the story
2. Account for the background of the two main characters – how are they similar and different?
3. What is the plot of the story?
4. Account for the composition of the story
5. What creates a connection between the two main characters?
6. In general, what role does language play in the short story?
7. Describe the neighborhood they live in
8. Which portrait of Europe does the short story draw?
9. Explain the ending

Perspective: Remember the statistic knowledge you gained about Nigeria. How would you say life is as an illegal immigrant in Europe compared to life in Nigeria? How could conditions be improved in both cases?
